

Seminar topics to be covered will include:

- Diabetes and CVD • Diabetes and Renal Disease
- Pre-Diabetes • Diabetes Technology Update
- Hashimoto's Disease • Osteoporosis • Thyroid Nodules • Obesity Management • Hypogonadism

OVERVIEW

This symposium will explore new guidelines and provide updates in the management of diabetes, thyroid and other endocrinologic disorders, and will introduce practical approaches to providing optimal patient care in these areas.

TARGET AUDIENCE

The intended audience for this conference includes primary care physicians and related medical professionals who are seeking to increase their understanding of diabetes, thyroid disease and other endocrine disorders.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the **Dade County Medical Association** and the **Palm Beach Diabetes & Endocrine Specialists, P.A.** The **Dade County Medical Association** is accredited by the Florida Medical Association to provide continuing medical education for physicians.

The **Dade County Medical Association** designates this live activity for a maximum of *6.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
